3. No Tobacco Products

If you forget something, Santiago has many modern stores that can accommodate most needs.

Miscellaneous

1. Money: Each person will need between: \$150 to \$200

Meals in Airports

2 to 3 Meals in the evening in Santiago

2. Cell Phones do work in the Dominican Republic; however, you will want to turn off your data plan when you arrive to prevent international roaming charges. Check with your carrier prior to leaving the US for rates and make sure you have an international plan.

3. The Hotel provides free "Wi-Fi" in the lobby and hallways.
4. Electrical outlets are the same as the US.
5. Credit Cards do work in the Dominican Republic, sometimes, you must call your bank and let them know you will be using your credit card in the DR otherwise they will block your card after the first purchase.

Finally, remember to bring a good attitude and be flexible. You are going to be a blessing to the Dominican and Haitian people. Please be patient, and display the Love of Christ to everyone.

Thank you and God bless you!
